The screenshot displays the 'Course Management System' interface. At the top, a navigation bar includes links for Home, Staffs, Students, Courses, Faculties, CMR, Reports, and Logout. A prominent red error banner at the top of the main content area reads 'X Passwords does not match'. On the left, an 'ACTIONS' sidebar contains a button labeled 'List Staff Logins'. The main area features the 'Add Staff Login' form, which includes a 'Staff Code *' field with the value 'C1015', a checkbox for 'Special Account(No entry in staffs table)', a 'Password *' field, and a 'Confirm Password' field. Both password fields are masked with dots.
